Dear Kejriwal Ji,

Two days ago when I read the news about your foolish spokesperson Smt. Priyanka Kakkar giving defamatory terms and statements against me I was wondering where do you find such cartoon who openly prove they have no knowledge of anything around them and only read out the scripts given.

- Anyways Priyanka ji, I hope you have received my legal notice, but that's only the start, a lot more, legally is heading your way.

However, firstly stop misleading people of Delhi No one is buying your stories.

Delhi Jails, Tihar, Rohini, Mandoli, clearly comes under the administration of Delhi Government headed by the Home Minister of Delhi, who currently is your other corrupt leader Mr. Kailash Ghelot.

- The best part, I guess Priyanka ji, kindly visit the mandoli jail where I am lodged, it was inaugurated by my dear corrupt brother Satyender Jain.

The foundation stone which is at the entrance and every corner of the Jail has the great Conman Satyender Jain's name on it.

- Every co-ordination meeting of the Jail since last few years since Mr. Jain is arrested its, Mr. Kailash Ghelot Minister of Home and Jails Delhi who has been conducting, not the LT. Governor.
- AIG, DIG, Superintendent and Asst. Superintendent, Dy Superintendent, Head warden, warden all are under the Delhi Govt. and the Chief Minister and Home Minister of Delhi Govt.
- Please Priyanka ji don't make a fool of yourself get your facts right before speaking, Kindly Read your orders 16.4.2001, and latest 5.11.2018 and 11.11.2018, Notifications passed under Section 71 published in the Delhi Gazette under Category Prison Government Of National Capital Of Delhi.
- Be it as it may Priyanka ji for starters the Jail Protection money of Rs. 10 Crore and Rs. 50 Crore that was extorted and paid by me was to Satyender Jain in the capacity of then Jail Minister and on his instructions to Mr. Sandeep Goel then DG Prison. Their is enough and more evidence including whatsapp chats proving the same, so unwantedly to act and do

your drama everyone has seen the video of Tihar Club “COO” Mr. Satyender Jain getting his massages in Jail proving his power in Jail and how Jail Officials Right from top to Bottom are the puppets.

Don't Worry I will make sure to expose everything in Details with Supporting evidence, then the world will know, who was and is the incharge of the famous Delhi jails, actions speak louder than words, so kindly hang on.

- Lastly My Dear Kailash Ghelot ji, your next Don't worry, I understand How you and Mr. Jain is putting pressure on me; Harassing me through Jail Superintendent and his staff, But not for long. Even though you changed all your phones before going to ED for investigation, You won't get away my friend, I will give all the Screenshots , Voice Recordings of yours and mine, starting with the Delivery of 50 Crores that I gave at your farm house, for Rajya Sabha seat as promised By my Bro Arvind Kejriwal, so Kailash ji you can't get away, all the DBS account Details and Cyprus Bank details I shall give the agency, I am sure you exactly know what I am talking about.
- So Priyanka ji, today time and again all of you keep shouting I am the notorious conman, but please ask your Kejriwal ji and Jain saab why they were happily using my services and mainly my money since 2015, Have some shame, you can't fool the People of India and mainly Delhi Anymore, All know who is the Real the OG Conman Mr. Arvind Kejriwal.
