Complaint No. _____ of 2025

Jagmohan Manchanda, aged about 55 years, son of Sh. Krishan Lal, resident of 1265/09, Sector -1, Part-2, Shahabad, Kurukshetra, Shahabad (M) Haryana, 136135 UID No. 6357 0233 0760 Complainant

Versus

1) Shri. Arvind Kejriwal, (Ex. Chief Minister, Delhi) aged about 56 years s/o Sh. Gobind Ram Kejriwal resident of 5, Ferozeshah Road, New Delhi-110001. 2) Other members of Aam Aadmi Party involved in the crime. (Names to be disclosed by accused no.1) Accused

Application/Complaint u/s 175(3) of the Bharatiya Nagarik Suraksha Sanhita, 2023 (BNSS) for registration of FIR u/s 61 r/w ss. 109/192/196/197/248/299 of the Bharatiya Nyaya Sanhita, 2023 along with substantive offences thereof and under Section 62 r/w ss. 192/196/197 of the Bharatiya Nyaya Sanhita, 2023.

MOST RESPECTFULLY SHEWETH –

1 That the complainant is a public-spirited person and an advocate by profession. The complainant is aggrieved by the act and conduct of the accused and is a permanent resident of the above-mentioned address, therefore, is competent and entitled to file the aforesaid complaint in the Hon'ble Court against Sri Arvind Kejriwal and other members of Aam Aadmi Party for commission of offences u/s 61 read with ss. 109/192/196/197/248 of the Bharatiya Nyaya Sanhita, 2023 and 62 read with ss. 109/192/196/197 of the Bharatiya Nyaya Sanhita, 2023.

2 That the complainant has seen a viral video of Mr. Arvind Kejriwal wherein he has made provocative statements making wild and vile allegations against the State of Haryana including Haryana Government and the ruling party BJP. The relevant transcript of the video is reproduced hereunder:

“दिल्ली के लोगों को पीने का पानी हरियाणा और उत्तर प्रदेश से मिलता है। हरियाणा में यमुना के रास्ते पीने का पानी आता है। भारतीय जनता पार्टी की हरियाणा की सरकार ने दिल्ली में यमुना से आने वाले पानी में जहर मिलाकर भेज दिया है। यह तो हमारे दिल्ली जलबोर्ड के इंजीनियर का भला की उन्होंने पकड़ लिया। उन्होंने दिल्ली के बॉर्डर पर वह पानी रोक दिया और उसे पानी को दिल्ली के अंदर नहीं आने दिया। अगर वह अपनी दिल्ली के अंदर आ जाता और पीने के पानी में मिल जाता दिल्ली के अंदर ना जाने कितने लोगों की मौत हो जाती। एक मास जेनोसाइड हो जाता अगर दिल्ली के अंदर अगर यह पानी आ जाता। जो भारतीय जनता पार्टी की हरियाणा सरकार ने दिल्ली में भेजा है। इसके अंदर उन्होंने ऐसा जहर मिलाकर भेजा है जिसका दिल्ली में जो वॉटरट्रीट में टप्लांट्स है उसमें भी उसकी सफाई नहीं हो सकती और इसकी वजह से लगभग एक तिहाई दिल्ली के अंदर पीने के पानी की कमी हो गई है। मैं दिल्ली के लोगों को यह कहना चाहता हूं कि इस किस्म की राजनीति बिल्कुल नहीं होनी चाहिए और यह बहुत गंदी राजनीति है। ऐसे तो कोई दो दुश्मन राज्य देश होते हैं उनके देखा गया था कि अमेरिका ने जापान के अंदर नागासाकी और हिरोशिमा में न्यूक्लियर बम फेंक दिया था। कहीं दो देशों के युद्ध में बायोलॉजिकल वे पंस फेंक दिए जाते हैं। कहीं दो देशों के युद्ध के अंदर पानी में जहर मिलाकर वहां पर जाने वाली नदी में डाल दिया जाता है। इस तरह से तो दो देशों के युद्ध के अंदर हम लोगों ने इस तरह के काम देखे थे। लेकिन आज जिस तरह से भारतीय जनता पार्टी ने दिल्ली में आने वाले पानी में जहर मिला कर भेज दिया है दिल्ली के अंदर अपराध आफरी मत जाए। दिल्ली के लोग मर जाए और इसका ब्लेम आम आदमी पार्टी पर आ जाए। मैं बी जे पी को कहना चाहता हूं इतना मत कीजिए इस हद तक मत करिए। आप दिल्ली वालों को पराया समझते होंगे हम दिल्ली वालों को अपना समझते हैं दिल्ली हमारे परिवार का हिस्सा है। मैं दिल्ली के लोगों को कहना चाहता हूं मैं आपका मैं आप के साथ खड़ा हूं और कोई भी आपके ऊपर किसी भी तरह की अड़चन नहीं आने दूंगा और आप निश्चित रहिए।

कोई बातचीत हुई सरकार से हरियाणा सरकार से?

भगवत मान जी ने और आतिशी जी ने इलेक्शन कमीशन को चिट्ठी लिखी है और बहुत ही अर्जेंट बेसिस में उनसे मिलने का टाइम मांगा है। मैं उम्मीद करता हूं चुनाव आयोग इसमें इंटर विन करेगा।”

3. That as on 28.01.2025, the said video is available on the you tube channel of News 9 Live at <https://www.youtube.com/watch?vWQCVESmZMyk>. A pen drive containing the said video along with the certificate under section 63 of the Bharatiya Sakshya Adhiniyam, 2023 is appended as Annexure C-2 and C-3.

4. That the statement of the accused is falsified by the statement of the Ms. Shilpa Shinde, CEO, Delhi Jal Board, which appeared on the website of the Hindustan Times on 28.01.2025 at 2:04 PM, available on <https://www.hindustantimes.com/india-news/factually-incorrect-without-basis-delhi-jal-board-ceo-dismisses-arvind-kejriwals-poison-in-yamuna-claim-101738023624758.html>. A printout of the said news is appended as Annexure C-4.

5. That it is only due to the upcoming election at Delhi that it seems that Mr. Kejriwal, in conspiracy with other members of AAP, has given such provocative, false and misleading statements with an ulterior motive and desperation to cause havoc and riots in Delhi and Haryana which would sway some votes towards him and with a hope to see a stray of hope in an imminent upcoming failure at the election but at the cost of human lives.

6. That the accused deliberately, intentionally and consciously has given this false statement. He being the former CM of Delhi must be aware of the mode and manner in which the NCT Delhi gets drinking water from, inter-alia, Haryana. For easy understanding a brief context in this regard is mentioned hereunder: –

A Delhi has drinking water share of 719 Cusecs at Munak, from Yamuna and Ravi-Beas waters. Presently in compliance with Hon'ble Supreme Court order dated 29.02.1996, Haryana is releasing 1049 Cusecs of water (i.e. 330 cusecs in addition to share of Delhi) to Delhi through two Canals namely Carrier Lined Channel (CLC) and Delhi Branch.

b It is worth mentioning herein that CLC was constructed (in 2008) to carry entire legitimate share of Delhi @ 719 cusecs from Munak Head (in Haryana) to Delhi (up to Haiderpur WTP) to control losses of water running through river Yamuna.

C Earlier in 1996, Haiderpur Water Treatment Plant (WTP) used to get water from Delhi Branch. Wazirabad and Chandrawal WTPs used to lift water directly from river Yamuna. Any shortage in availability of water at Wazirabad was fulfilled by escaping water from Munak Head via Munak Escape - Main Drain No.2 – river Yamuna route.

d In the year 2000, Nangloi WTP (newly constructed) was given water from Ravi-Beas waters as per the orders of Hon'ble Supreme Court and the same was delivered through Delhi Branch also.

E After partial commissioning of CLC in 2008, to save enroute losses, any shortage in availability of water at Wazirabad was fulfilled by escaping water from CLC via Escape – Diversion Drain No. 8 (DD-8) – river Yamuna route. Whereas, Haiderpur and Nangloi WTPs continued to get water from Delhi Branch.

F After commissioning of CLC in 2014, entire share of Delhi @ 719 cusecs was delivered through CLC to be used for Nangloi, Haiderpur, Wazirabad and Chandrawal WTPs. Nangloi and Haiderpur WTPs took water directly from CLC and Wazirabad and Chandrawal WTPs took water from CLC-Twin pipeline route. In addition to it, extra water to Wazirabad for compliance of order of Hon'ble Supreme Court was delivered through Delhi Branch by Haryana. It is worth to mention that after commissioning of CLC upto Haiderpur, Delhi started taking water for Bawana and Dwarka WTPs directly from CLC and for Okhla WTP from Wazirabad pond. These three new WTPs were commissioned by Delhi without any allocation of water. This resulted in shortfall of water at Wazirabad WTP. To fulfil this self-created shortfall, Delhi resorts to lift water directly from river Yamuna.

G Therefore, since commissioning of CLC in 2014, Haryana does not provide any water to Delhi through earlier routes i.e. Munak Escape - Main Drain No.2 – river Yamuna route or CLC Escape – DD-8 – river Yamuna route. Thus, Haryana is delivering pollution free water to Delhi through its canal system of CLC and Delhi Branch only.

H. It is important to highlight here that all Water Works of different districts of Haryana i.e. Sonipat, Gurugram and Jhajjar are also provided water from same water source. If the statement of accused is believed to be true then even the people of Haryana are not safe from such water poisoning as alleged by him.

I As explained in forgoing para, for sake of clarification it is reiterated that after fully commissioning of CLC in 2014, Haryana supplies drinking water to Delhi through canal system only and not through river Yamuna. It is a documented fact. Thus, the claim of accused that Haryana is supplying drinking water through the river Yamuna is false and false to the knowledge of accused also.

J It is also a matter of record that pollution in rivers is a national phenomenon and river Yamuna is no exception to it. The water freely available at river Yamuna is not to be used for drinking purpose without proper treatment. Haryana is supplying clean water to Delhi from Canal system and if Delhi wish to use some freely available naturally flowing river water, then it should have requisite treatment capacity available in its Wazirabad WTP. It is also well-known fact that river Yamuna after crossing Wazirabad Barrage becomes one of the most polluted rivers of the country and its water contains 35-40 ppm ammoniacal nitrogen. First WTP falling downstream Delhi is at Agra, Uttar Pradesh which has treating capacity of 25-30 ppm ammoniacal nitrogen.

K It is astonishing to see that the accused has made an imaginary claim that Engineers of Delhi have stopped polluted water released by Haryana for Delhi at Delhi-Haryana border. It is not possible in any manner as there is no Barrage or any other mechanism at Delhi-Haryana border to even stop a small portion of river flow. Only available regulatory structure on river Yamuna upstream of Delhi is situated at Hathnikund Barrage (in Yamunanagar, Haryana) where water in river Yamuna can be controlled or stopped. After this Barrage, next structure where water can be stopped is Wazirabad Barrage (which is around 15 KMs from Delhi-Haryana border).

7. From the above it is now apparent despite knowing the above facts, the above accused no.1 gave the statement in furtherance of a conspiracy with the other members of AAP–

A With an ill will, intention and knowledge that such statements would lead to public unrest, riots and ultimately cause death of several public at large – thereby committing an offence of S. 109 of the BNS.

B To give provocation intending and knowing that such provocation would cause offence of rioting to be committed – thereby committing an offence punishable under S. 192 BNS.

C To cause disturbance to the public tranquillity by making such provocative speech, which is prejudicial to

the maintenance of harmony between different group of people including different religious, as well as people of two states i.e. from Delhi and of Haryana – thereby committing an offence punishable under Section 196 BNS.

D To assert that the people of NCT of Delhi for the only reason being people of NCT of Delhi would be deprived of their fundamental right to access to drinking water as enshrined under Article 21 of the Constitution of India – and further to Cause disharmony or enmity or hatred or ill-will between people residing at Delhi and those residing at Haryana. – and which would further jeopardise the sovereignty, unity and integrity or security of India – thereby committing an offence punishable under Section 197 BNS.

E To attempt to cause all or any of the aforesaid offences, thereby committing an offence u/s 62 r/w Ss. 192/196/197 BNS. Thereby committing an offence punishable u/s 61 BNS r/w Ss. 109/192/196/197/248 BNS and substantive offences thereof.

8. That further it is evident that such a large-scale poisoning is not possible in a practical sense. However, such statement was made with intent to cause injury for causing to be instituted false cases FIR / complaints against the Govt officials of Haryana – thereby committing an offence punishable u/s 248 of BNS.

9. That the above statement in respect of mixing poison in Holy River Yamuna, has been suffered by accused no.1 deliberately and knowingly that on 29-01-2025 there a big festival of Hindus and Maha Kumbh at Prayagraj is running. Crores of hindu pilgrimage are visiting to take holy bath in Triveni Sangam and its rivers, in which Yamuna is one of three. The above deliberate statement has been made by the accused no.1 with an intent to outrage the religious feeling of Hindu devotees by insulting their faith in Holy Yamuna and also harm and defame their Holy River as well as religious sentiments of Hindu's including complainant, who is also a President of Markandeshwar Mahadev Shiv Mandir at Shahabad Markanda. Thereby accused have also committed the offence under section 299 of BNS.

10. That in view of the above it is clear that Mr. Kejriwal in conspiracy with other unknown leaders of AAP, have committed offences u/s 61 r/w ss. 109/192/196/197/248 BNS along with substantive offences thereof and under Section 62 r/w ss. 192/196/197 BNS.

11. That on 29-01-2025, when I went to Police Station, Shahabad Markanda, for registration of FIR for the commission of aforesaid offences by the above accused. The concerned police refuse to take any action on complaint, moved by the complainant. However, the application was duly received by him vide application no. 156-D, Dated 29-01-2025. Being aggrieved by the inaction of the police, I had thereafter approached the concerned Deputy Superintendent of Police, Shahabad Markanda, for the purpose of registration of FIR, but I met with the same fate there as well.

12. That all the allegation levelled in the application are serious in nature and being cognizable offences, the same required intervention of investigating agency for collecting material evidence against accused. Accused no.1 is Ex. Chief Minister of Delhi and having influence in political region and he hatched conspiracy in connivance with other accused of his party. Thus, the applicant constrained to approach this Ld. Court u/s 175(3) of the BNSS and humbly prays before this Ld. Court that this Ld. Court may direct the concerned S.H.O., Police Station, Shahabad Markanda, to register FIR and cause investigation into the offences as described here-in-above.

13. That this application is made bona fide and for the interest of justice.

14. That no such or similar complaint has earlier been filed by the complainant before any court of law nor any such or similar complaint is pending.

15. That statement of the accused no.1 has been telecast on various news channel and social media, as also within jurisdiction of this learned court. As the applicant is residing within territorial jurisdiction of Police Station, Shahabad Markanda. Hence, this Ld. Court has got the jurisdiction to entertain and try the present application/complaint.

PRAYER

In view of the facts and circumstances, as mentioned hereinabove, it is most humbly prayed that this Learned Court may be pleased to direct the SHO/Police Official, Police Station, Shahabad Markanda, exercising its powers u/s.175(3) BNS, for registration of FIR u/s 61 r/w ss. 109/192/196/197/248/299 of BNSS, 2023 and/or to pass such other or further order or orders as this court may deem fit and proper in the interest of justice.
