Preface

Honourable Chief Minister Shri Bhupendra Patel's five years of good governance are being completed on 13th September 2026. From the state's largest-ever budget of ₹4.08 lakh crore to giving momentum to sustained development through semiconductors, solar energy, urban development, and modern infrastructure creation, Gujarat's five-year journey under the leadership of Chief Minister Shri Bhupendra Patel is not merely a statistical achievement, but a roadmap for the nation's future.

The 19 important policies that have determined the direction and pace of the state's development, the four Vibrant Gujarat Regional Conferences that have carried global investment to the regional level, and the ₹17.4 lakh crore worth of MoUs signed for investment across these four conferences, all stand as proof of Chief Minister Shri Bhupendra Patel's visionary and capable leadership. Through policies for sectors such as semiconductors, renewable energy, green hydrogen, electronics, spacetechnology, global capability centres, data centres, shipbuilding, and advanced manufacturing, Gujarat, under the Chief Minister's leadership, has laid a strong foundation for development in critical sectors of the future. Six semiconductor plants have been approved in Gujarat, of which three are now already operational on a commercial scale — an achievement no other state in the country has attained.

Under the Chief Minister's leadership, the Uniform Civil Code (UCC) Bill has been passed in Gujarat, strengthening the resolve for 'equality, justice, and unity'. Important administrative reforms have also been implemented to make services available to the state's citizens more efficient. 'Sugam Digital Gujarat' has been launched to make citizen services paperless, cashless, and faceless. International events such as G-20 meetings, the 10th edition of the Vibrant Gujarat Global Summit, and RE-Invest 2024 have been successfully hosted in Gujarat. Gujarat is now also eager and ready to host the Commonwealth Games in 2030.

Under the Chief Minister's leadership, the 'Gujarat State Institution for Transformation' (GRIT) has been set up on the pattern of the Centre's NITI Aayog, along with the Gujarat Administrative Reforms Commission (GARC), to enhance the efficiency and effectiveness of the state's administrative machinery. Honourable Prime Minister Shri Narendra Modi has given the vision of 'Viksit Bharat @2047' for the year 2047, and in this context, Gujarat is the first state in the country to prepare a roadmap for 'Viksit Gujarat @2047'.

Carrying forward the vision for urban development of Gujarat's then Chief Minister and current Prime Minister Shri Narendra Modi, the year 2025 was declared as the Year of Urban Development. Priority has been given to urban development in order to equip the state's cities with modern, world-class infrastructure suited to future needs. To ensure that the state's daughters complete secondary and higher secondary education, the Chief Minister implemented the 'Namo Lakshmi Yojana', along with the 'Namo Saraswati Vigyan Sadhana Yojana', aimed at encouraging students to study science stream in Classes 11-12. To ensure that primary school children receive nutritious food in addition to the midday meal, the 'Mukhyamantri Paushtik Alpahar Yojana' has been implemented, along with the 'Namo Shree Yojana' to provide financial assistance for the health and nutrition of expectant mothers. To provide 'Ease of Living' to the state's citizens, the Chief

Minister has also implemented historic and significant revenue reforms. Under the Chief Minister's leadership, Gujarat is today moving rapidly towards becoming a leader in emerging sectors such as renewable energy, semiconductors, and artificial intelligence (AI). Over the past five years of his tenure, Gujarat has achieved development and accomplishments in every sector.

₹4.08 lakh crores Largest ever budget in history	19 Important policies
₹17.4 lakh crores MoU under 4 VGRC	6 plants Semiconductor (3 operational)

Gujarat: A Policy-Driven State

19 important policies steering the state's development journey

1. Gujarat Aatmanirbhar Policy (2022)
2. Gujarat Biotechnology Policy 2022-27
3. New Gujarat IT/ITeS Policy 2022-27
4. Gujarat Sports Policy 2022-27
5. The Drone Promotion and Usage Policy (2022)
6. Gujarat Semiconductor Policy 2022-27
7. Cinematic Tourism Policy 2022-27
8. Gujarat Renewable Energy Policy 2023
9. Student Start-ups and Innovation Policy 2.0 (SSIP-2.0)
10. Gujarat Procurement Policy 2024
11. Gujarat Green Hydrogen Policy 2024
12. Gujarat Textile Policy 2024
13. Cottage and Rural Industries Policy 2024
14. Gujarat Global Capability Centre Policy (2025-30)
15. Gujarat SpaceTech Policy 2025-30
16. Gujarat Electronics Component Manufacturing Policy – 2025
17. Viksit Gujarat Industrial Policy 2026
18. Viksit Gujarat Data Center Policy 2026-29
19. Gujarat Ship Building and Repair Policy – 2026

Five Years of Good Governance: Achievements

A glimpse of Gujarat's all-round development

- Largest-ever budget in the state's history at ₹4.08 lakh crore, based on five pillars of development
- A record budget prepared with the spirit of public welfare at heart, built on five pillars — social security, human resource development, infrastructure facilities, development of economic activities, and green growth
- Ahmedabad secured the hosting rights for the Commonwealth Games 2030; this event will create employment opportunities and lead to long-term development of urban infrastructure, including modern stadiums
- Successful hosting of the Vibrant Gujarat Regional Conferences in Gujarat, themed on regional aspirations and global ambitions
- Uniform Civil Code (UCC) Bill passed in Gujarat, which will strengthen the resolve for 'equality, justice, and unity'
- Gujarat is the only state in the country where 6 semiconductor plants have been approved
- The number of Lakhpati Didis in Gujarat has reached 8.39 lakh; Gujarat aims to make 10 lakh women self-reliant
- A historic decision by the Chief Minister Shri Bhupendrabhai Patel government — for the first time since Independence, the state government made important amendments to the 75-year-old 'Tukda Dhara-1947'
- Following the flood situation in Surat, a comprehensive survey led to the announcement of a ₹550 crore package to support daily wage workers, small industries, and middle-class traders
- 'Sugam Digital Gujarat' launched to make citizen services paperless, cashless, and faceless
- Notary portal launched to develop an e-notary system in the state
- 'The Gujarat Clinical Establishment (Registration and Regulation) (Amendment) Bill-2026' passed by the state government to make the registration and regulation process for medical institutions in the state more efficient
- Gujarat Control of Terrorism and Organised Crime (Amendment) Bill 2026 passed
- Gujarat Educational Institution Service Tribunal (Amendment) Bill 2026 passed
- The Chhari-Dhand Conservation Reserve, located at the edge of the Banni grasslands in Kutch — considered Asia's largest grassland — officially declared a 'Ramsar Site'. After Nal Sarovar, Thol, Khijadiya, and Wadhvana, Chhari-Dhand has now become Gujarat's fifth Ramsar site
- Successful hosting of the 10th edition of the Vibrant Gujarat Global Summit 2024
- With the mantra of "Earning Well, Living Well," Gujarat is the first state in the country to prepare a roadmap for 'Viksit Gujarat @2047'
- Cyclone Biparjoy tackled with a zero-casualty approach
- 17 G20 meetings successfully hosted in Gujarat
- Construction of 2,649 Amrit Sarovars completed in Gujarat, 107% of the target
- Chief Minister's Office received ISO 9001:2015 certification
- Gujarat ranked first in the country for the second consecutive time in the health and wellbeing sector of the Sustainable Development Goals Index

- 'Gujarat State Institution for Transformation'- GRIT set up on the pattern of the Centre's NITI Aayog
- 'Mari Yojana' portal launched on Good Governance Day 2024, bringing over 680 government schemes to citizens in one click
- Launch of 'Swagat 2.0' auto-escalation matrix and the Swagat mobile app
- Web portal of the RERA Tribunal launched
- Single emergency helpline number 112 for police, fire, ambulance, and women and children announced in August 2025, replacing multiple helpline numbers
- Revolutionary decision in the revenue sector — new, undivided or restricted-tenure agricultural land to be treated as old-tenure land
- 'Project Setu' module launched under the Pragati-G portal by the state government in 2023
- SWAR platform launched to equip 'Right to CMO' with speech-to-text facility
- 'GujMarg' application, a digital platform for redressal of citizens' road-related complaints, made operational
- Action Plan for Implementation of Artificial Intelligence 2025-2030 approved
- State government's decision to provide the first five pages of information free of cost, for simple, speedy, and effective implementation of the Right to Information Act-2005
- Decision to waive up to 80 percent of the payable duty for transfers made through allotment letters and share certificates by societies, associations, and non-trading corporations
- Premium approval on land valuation of five crore rupees will now be available at the Collector level; land use conversion to N.A. will be granted on recovery of 10 percent of the jantri price
- Gujarat collected a record GST of ₹14,970 crore in April 2025

Department-wise Five-Year Achievements

01 Education Department

- National Education Policy 2020 effectively implemented in Gujarat
- Under Mission Schools of Excellence, work completed on 13,353 new classrooms, 21,000 new computer labs, 1,09,000 new smart classrooms, and 5,000 new STEM labs
- Successful hosting of the 24th edition of Kanya Kelavani Mahotsav and Shala Praveshotsav in 2026
- 'No Detention Policy' abolished in all schools in Gujarat
- Income limit raised for admission to Class 1 under the RTE Act
- Under the 2024 recruitment drive, a total of 9,400 Shikshan Sahayaks and 470 principals recruited in government and non-government grant-in-aid secondary and higher secondary schools; 2,230 existing teachers recruited/transferred
- 200 new composite schools, 95 new government secondary schools, and 3 higher secondary schools approved for 2026-27
- Since the launch of the 'Namo Lakshmi' scheme, more than 25 lakh girl students in the state have received assistance of over ₹2,110 crore
- Under the Namo Saraswati Vigyan Sadhana Yojana, more than 3.54 lakh students have received assistance of ₹290 crore since 2024-25
- Under the Chief Minister Gyan Sadhana Merit Scholarship Yojana, assistance of over ₹176 crore provided since 2023-24
- In the first term of 2025-26, a total of 1,271 students across 10 Raksha Shakti Schools — 529 in Class 6, 444 in Class 7, and 298 in Class 8 — received school voucher assistance of over ₹5 crore and 43 lakhs
- In the second term, a total of 1,218 students — 516 in Class 6, 418 in Class 7, and 284 in Class 8 — received school voucher assistance of over ₹5 crore and 20 lakhs
- 1,141 new teacher posts created to provide yoga and health education in the state's government primary schools
- The dropout rate for Classes 1 to 8 was 37.22% in 2001-02, which fell to just 2.35% in 2024-25
- 37 new resource rooms set up across the state, equipped with facilities such as advanced therapy equipment, digital panels, ramps, railings, and CwSN (Children with special needs) toilets
- The Education Department implemented an Artificial Intelligence (AI)-based Early Warning System (EWS) to identify students likely to drop out of school
- Out of nearly 1 crore students studying in government primary schools, EWS has so far identified around 1,68,000 students — less than 2% — who were counselled on completing their school education
- To ensure students in the state's remote and underserved areas get access to higher education closer to home, a total of 41 new government colleges were started over the last five years — 24 in non-tribal areas and 17 in tribal areas. In addition, new streams were introduced in 15 existing government colleges across non-tribal and tribal areas
- Under the Chief Minister Yuva Swavalamban Yojana, a total of 3,97,415 students received assistance of ₹2,068.67 crore over the last 5 years
- Under the Chief Minister Kanya Kelavani Nidhi Yojana, a total of 24,802 girl students received assistance of ₹797.01 crore over the last 5 years

- Under the Scheme of Developing High Quality Research (SHODH), students enrolled in PhD courses at recognised universities in Gujarat received total assistance of ₹113.52 crore over the last 5 years for quality research
- Under the Student Startup and Innovation Policy (SSIP) 2.0, financial assistance of up to ₹2.50 lakh was provided for 6,077 Proof of Concepts, resulting in the establishment of 962 startups from students' innovative ideas

02 Agriculture Department

- "Krishi Pragati" web portal and mobile app launched to boost farmers' development and agricultural activity
- Virtual inauguration of Banas Dairy's first indigenous semen centre
- For certifying agricultural land sale entries, only records after 6th April 1995 will be considered in farmer verification checks, simplifying cases involving sale entries and non-agricultural approvals
- Assistance under the Chief Minister Crop Storage Structure Yojana, which protects farmers' produce against various calamities, increased from ₹75,000 to ₹1,00,000
- Under the Chief Minister's guidance, to expand the reach of natural farming in Gujarat, the state government will adopt a 'cluster-based' approach to develop 500 villages as 'Natural Farming Villages'
- Important amendments made to the eligibility rules under the Chief Minister Gaumata Poshan Yojana, with a decision to bring the maximum possible number of the state's Panjrapoles and Gaushalas under the scheme
- Dang district became the state's first district to achieve 100 percent natural farming
- Index-A established to promote entrepreneurship in the agriculture sector and make agriculture-related information available on a central portal
- Farmers' data in Gujarat to remain 100 percent secure, with the Agriculture Department setting up a 'Departmental Data Committee'
- Around 16.88 lakh farmers in the state adopted micro-irrigation methods, covering an area of 25.81 lakh hectares
- By the end of 2025-26, 8 lakh farmers adopted natural farming across more than 8 lakh acres of land
- 66,871 farmers in Gujarat registered under the Pradhan Mantri Kisan Maandhan Yojana
- More than 20 lakh farmers in the state receive natural farming training annually
- Under the Pradhan Mantri Kisan Samman Nidhi Yojana, an amount of ₹23,044.83 crore was credited directly into the bank accounts of 69.25 lakh farmer families through a total of 22 instalments
- Under the Minimum Support Price procurement scheme for agricultural produce, various produce was procured in 2025-26 at support prices, including more than 17.41 lakh metric tonnes of groundnut worth ₹12,646.97 crore, more than 3.66 lakh metric tonnes of chana worth ₹2,155.40 crore, and more than 80,565 metric tonnes of tuver worth ₹644.53 crore
- 8,69,922 farmers connected under the e-NAM portal in Gujarat, integrating 144 agricultural produce market yards across the state

- 10,291 traders and 7,191 commission agents registered on the e-NAM portal
- Soil Health Cards distributed to 2.25 crore farmers in Gujarat, making Gujarat the first state to implement this scheme
- Under the 4% interest subsidy scheme on KCC loans, an estimated 17 lakh farmers receive interest assistance every year
- A total of ₹11,915.25 crore in assistance has been paid out under this scheme over the last 12 years
- 66,871 farmers registered in Gujarat under the Pradhan Mantri Kisan Maandhan Yojana

03 Energy Department

- 11.47 lakh solar rooftop panels installed under the PM Surya Ghar Yojana, with consumers benefiting from a total subsidy of ₹5,908 crore so far
- Thanks to the successful implementation of the scheme, Gujarat now ranks consistently first in the country in solar rooftop installations, with a 20% contribution
- Under the Kisan Suryoday Yojana, more than 17,200 villages in the state (over 21 lakh farmers) receive electricity during regular daytime hours. The state government has spent more than ₹6,200 crore on this scheme so far
- With more than 1,108 CNG stations out of the country's total 8,980, Gujarat ranks among the top three states in the country
- 12 percent of the country's total CNG stations are in Gujarat
- 23 percent of the country's total domestic PNG connections, i.e. more than 39 lakh connections, are in Gujarat
- Foundation laid for the world's first CNG terminal, a brownfield port, in Bhavnagar
- More than 22,000 farmers in Gujarat installed off-grid solar pumps under the PM KUSUM Yojana. The state government paid farmers a subsidy of more than ₹650 crore under this scheme
- As of July 2026, Gujarat ranks first in India with an installed renewable energy capacity of 52.6 gigawatts, holding an 18% share of the country's total
- On the occasion of 'Good Governance Day' on 25th December 2025, the Energy Department launched three forward-looking policies: (1) Pumped Storage Policy, (2) Green Hydrogen Policy, and (3) Integrated Renewable Energy Policy
- BESS (Battery Energy Storage Systems) promoted to meet growing power demand and ensure efficient use of renewable energy
- Agreements signed so far for more than 5,500 MWh (megawatt-hour) of BESS storage capacity, with 400 MWh capacity already operational
- To ensure uninterrupted power supply along the border, an elevated XLPE-cabled power network covering 322.78 circuit kilometres and 58 BOPs (Border Out Posts) is planned to be set up in 2026-27 at an estimated cost of ₹101.16 crore
- 'Urja Sanvardhanam' portal launched as a data-driven forecasting and monitoring tool to modernise Gujarat's power infrastructure

- In the 14th Annual Integrated Ratings released by the Central Government, the state's power distribution companies ranked first across India, achieving an A+ rating
- MoUs worth more than ₹10 lakh crore signed during the Vibrant Gujarat Regional Conference

04 Urban Development Department

- A grand Vrindavan Gauchar Park to be constructed in Vadnagar at a cost of ₹15 crore
- Sanand, Kalol, Savli, Bardoli, and Hirasar to be developed as new satellite towns to ease pressure on Ahmedabad, Surat, Vadodara, and Rajkot
- More than 300 Town Planning (TP) schemes approved in the last 4 years
- Gujarat leads in the implementation of the Pradhan Mantri Awas Yojana (Urban), with a total of 3.36 lakh houses completed since 2021
- 'Chief Minister Swarnim Jayanti Shahri Yojana' extended for a further three years, to promote 'Ease of Living' for Gujarat's citizens
- Under the Swarnim Jayanti Mukhyamantri Shehri Vikas Yojana, ₹20,399 crore allocated to 17 Municipal Corporations and ₹3,047 crore allocated to 152 Municipalities during 2021-22 to 2025-26
- Under the Smart City Mission, 185 projects worth more than ₹7,000 crore completed across the state's 6 smart cities
- 72 works worth ₹2,101 crore completed under the AMRUT scheme across 8 Municipal Corporations in the last 4 years
- Since the launch of AMRUT 2.0, a total of 481 works worth ₹4,598 crore completed across all municipalities and municipal corporations in the state
- As a result of work carried out under AMRUT 2.0 to date:
 - Water treatment plant capacity increased by 692 MLD, water distribution pipeline network extended by 2,364 km, and 2,67,477 household water supply connections added
 - Underground sewerage works added 203 MLD to sewage treatment plant capacity, extended the underground sewer collection network by 917 km, and added 1,03,847 household sewer connections
 - Renovation of lakes completed across 1,410 hectares, and garden development works completed across 1,197 hectares
- A total of 173 electric buses successfully operationalised under the PM e-Bus Seva in Gujarat, including 75 in Bhavnagar, 43 in Gandhinagar, 25 in Jamnagar, and 30 in Vadodara
- During the period 2021 to 2026, a total of 1,961 buses — including 1,014 electric buses and 947 CNG buses — made operational in the state under the Chief Minister Urban Bus Transport Service (CMUBS)
- Under the Catch the Rain campaign, a total of 74,339 groundwater recharge structures constructed across Gujarat's municipal corporations and municipalities, enabling recharge of an estimated 25% of rainwater into the groundwater table

- Under the AMRUT Station Road Yojana, a total of 42 approach roads connecting railway stations across 17 Municipal Corporation and 39 Municipality areas completed

05 Industries Department

- More than 33 lakh MSMEs registered on the Udyam portal from Gujarat
- 'Viksit Gujarat Industrial Policy 2026' announced to boost self-reliance among industries
- 6.14 lakh MSMEs registered in Gujarat in 2024-25
- Of the 63,875 MSME units registered between April-November 2025, 11,950 were women-led, providing employment to 2.96 lakh people. These units accounted for an investment of ₹1,581 crore and a turnover of ₹11,741 crore
- Vibrant Gujarat Regional Conferences (VGRC) successfully held across four regions of the state to connect local capabilities with global opportunities and accelerate grassroots development
- A total of 13,387 MoUs worth ₹17.53 lakh crore signed at the VGRCs held across the four regions
- 10th edition of Vibrant Gujarat Global Summit 2024 successfully concluded
- More than 61,000 delegates from over 140 countries participated in the 10th edition of Vibrant Gujarat
- Smart Industrial Estates spanning 3,611 acres, with modern infrastructure for industries, to become operational across Kheda, Ahmedabad, Panchmahal, Chhota Udepur, and Bhavnagar districts
- 'The Aatmanirbhar Gujarat Schemes for Assistance to Industries' announced to promote self-reliance among industries
- Gujarat is the only state in the country where 6 semiconductor plants have been approved
- Under Aatmanirbhar Gujarat, 'Assistance for Quality Certification' facilities being provided to MSMEs to help them deliver quality products in a competitive market
- Gujarat's share in India's total industrial output stands at 17% (FY 2023-24)
- Manufacturing sector's share in the state's Gross Value Added stands at 32.68% (FY 2024-25)
- State GDP accounts for 8.3% of India's GDP (at current prices – FY 2024-25)
- Gujarat's share in India's total exports stands at 25% (USD 110 billion in FY 2025-26)
- Gujarat accounts for 90% of the world's total processed diamonds
- With companies like Suzuki, Tata, and Hero Corp establishing a well-developed auto cluster in Gujarat, the state is today emerging as India's EV hub
- Launch of the Single Window IT System (SWITS) of the International Financial Services Centres Authority at GIFT City
- Inauguration of the Tata Aircraft Complex at the Tata Advanced Systems Limited (TASL) campus in Vadodara, for manufacturing of C-295 aircraft
- MoU signed with Microsoft to set up an Artificial Intelligence Centre of Excellence at GIFT City

- Inauguration of the GIFT International FinTech and Innovation Hub, aimed at building a dedicated startup ecosystem in Gujarat
- Launch of the AI Centre of Excellence at GIFT City
- India Aircraft Leasing and Financing Summit-2025 hosted at GIFT City

06 Roads and Buildings Department

- Namo Shakti Expressway and Surendranagar-Pipavav Expressway to be constructed at a total cost of ₹35,204 crore
- Somnath-Dwarka Expressway to be constructed at a cost of ₹57,036 crore
- Under the 'Garvi Gujarat High-Speed Corridor', plans to develop 1,115 km of roads as high-speed roads at a cost of ₹10,000 crore; ₹5,576 crore approved for the first phase
- Approval granted in the 2026-27 budget for constructing new-technology, climate-resilient roads in the state
- ₹1,184.99 crore approved for 405 km of roads for the Surat economic region
- Development of a 237 km-long alternative route connecting Saputara to the Statue of Unity in progress
- Work in progress to upgrade 1,126 km of roads connecting industrial and mining areas, at a cost of ₹2,554 crore
- Construction of the coastal highway from Valsad to Kutch in progress, with various works underway at a cost of ₹1,018 crore
- Various works in progress under the Parikrama Path for 96 km of roads at a cost of ₹872.4 crore, aimed at improving connectivity and boosting the agriculture and tourism sectors
- Roads connecting the state's important tourist destinations being developed as a tourist circuit

07 Tourism and Pilgrimage Sites

- Dhordo in Gujarat recognised as one of the 'Best Tourism Villages of India' by the United Nations World Tourism Organization (UNWTO)
- Khijadiya recognised as 'Best Tourism Village 2023' in the Silver category. Known as a bird sanctuary, Khijadiya holds unique ecological significance as India's 49th Ramsar site
- Cinematic Tourism Policy 2022-27 announced; 70th Filmfare Awards held in Ahmedabad
- A total of 322 homestays approved under the Homestay Policy, giving a boost to economic development through tourism
- The number of tourists visiting Gujarat saw a notable increase of 51.54 percent, from 1,498.40 lakh in 2022-23 to 2,271.30 lakh by 2025-26
- The number of foreign tourists rose from 22.46 lakh in 2022-23 to 23.61 lakh in 2025-26

- Work completed at a cost of ₹125 crore for the development of border tourism at Nadabet
- Various development projects completed in Vadnagar at a cost of ₹100 crore
- 'Light and Sound' show facility developed at Rani ki Vav
- Various development works completed for tourism development at Sasan Gir and Shivrampur
- All-round development of Gujarat's pilgrimage sites under the Chief Minister's leadership

08 Health Department

- Assistance available to Gujarat's citizens under the Pradhan Mantri Jan Arogya Yojana-Mukhyamantri Amrutam (PMJAY-MA) increased from ₹5 lakh to ₹10 lakh
- Rajkot AIIMS inaugurated by Prime Minister Shri Narendra Modi
- 'Swasth Gujarat, Medasvitamukt Gujarat' campaign launched on 'World Obesity Day'
- More than 2.92 crore citizens in Gujarat issued Ayushman cards
- Gujarat is the only state in the country providing digital health cards to school students, with 1.15 crore cards issued so far
- Gujarat set a national benchmark with a 99.97% institutional delivery rate
- Under the 108 Emergency Ambulance Service, 617 new ambulances added along with integration of hospital-based ambulances, taking the total number to 1,455
- 31,021 Nikshay Mitras registered on the Nikshay portal under the Pradhan Mantri TB Mukh Bharat Abhiyan
- 5,76,344 nutrition kits distributed to TB patients for nutritious food
- More than 8 lakh women received total financial assistance of ₹540 crore under the Namu Shree Yojana
- India's first tele-rehabilitation centre launched at Sola Civil Hospital
- 'Arogya Samiksha Kendra' inaugurated to monitor and review Gujarat's health-related services and facilities under a single umbrella
- Gujarat is the first state in the country to launch a Tribal Genome Sequencing Project for the health of citizens in the state's tribal areas
- Under all phases of Mission Indradhanush so far, 9,95,395 children and 2,25,960 pregnant women in the state have been vaccinated

09 Women and Child Welfare Department

- Nari Gaurav Niti-2024 announced for women's empowerment
- Poshan Sudha Yojana implemented across all 14 tribal districts of Gujarat
- Gender budget crossed ₹1 lakh crore for the first time in 2023, with more than 200 schemes exclusively focused on women
- The 2024-25 gender budget covered a total of 804 schemes related to women's empowerment
- Under the Ganga Swaroopa Arthik Sahay Yojana, a total of ₹11,195 crore in financial assistance has been provided over five years, with a budget provision of ₹2,847.82 crore for 2026-27

- More than 3.32 lakh beneficiary daughters have benefited under the Vahli Dikri Yojana so far
- More than 19 lakh women supported so far under the Women's Helpline scheme
- 40,587 women availed various services at One Stop Centres over the last five years
- 4,58,610 beneficiaries covered under the Chief Minister Matrushakti Yojana, announced in 2022
- In line with the National Education Policy 2020, the pre-primary education curriculum 'Aadharshila' announced for anganwadi children in 2026
- 4,336 anganwadi centres inaugurated over the last five years

10 Department of Food, Civil Supplies and Consumer Affairs

- Free grain distributed to more than 75.60 lakh NFSA cardholder families
- 3.26 crore people in the state are receiving benefits under the Pradhan Mantri Garib Kalyan Anna Yojana
- Under the 'Surat District Food Security Saturation Campaign' in March 2025, benefits under the Pradhan Mantri Garib Kalyan Anna Yojana distributed to nearly 2,00,000 eligible beneficiaries in Surat

11 Water Resources Department

- 100% household tap connections achieved in Gujarat under the Nal Se Jal Yojana
- State's water storage capacity increased by 20,789 lakh cubic feet in the ninth phase of the Sujalam Sufalam Jal Abhiyan
- Jal Sanchay Jan Bhagidari Abhiyan launched in the state on the concept of Catch the Rain
- ₹915 crore approved for a pipeline parallel to the Botad Branch Canal, running from Dholidhaja Dam via Vadod Dam to Limdi Bhogavo 2, an important link for the Saurashtra Narmada Avataran Irrigation (SAUNI) Yojana
- A total of 291 check dams constructed under the Vanbandhu Kalyan Yojana, benefiting a total area of 20,667 acres
- Rejuvenation of Dahod's historic Chhab Lake completed at a cost of ₹120.87 crore
