PRESS RELEASE

CLASS XII RESULT FOR MAIN EXAMINATIONS-2026

DATE: 13.05.2026

CBSE DECLARES CLASS XII EXAMINATION RESULTS 2026

The Central Board of Secondary Education (CBSE), one of the largest Boards globally in terms of student participation, has successfully conducted the Class XII examinations for its affiliated schools in India and abroad. With affiliations in 27 countries, ranging from Japan to Ghana, CBSE continues to uphold its commitment to transparency and safe conduct of examination.

At the Class XII level, CBSE offers 120 subjects, the highest number among any national or international board. Examinations are conducted worldwide at Indian Standard Time, ensuring uniformity and fairness.

KEY HIGHLIGHTS OF 2026 EXAMINATIONS

CBSE Introduces On Screen Marking (OSM) for Class XII Evaluation-2026

The Central Board of Secondary Education (CBSE) has successfully implemented On Screen Marking (OSM) for the evaluation of Class XII answer books in the 2026 Board Examinations. CBSE has done full scale OSM in class XII which is the biggest OSM as of now. This landmark initiative reflects CBSE's commitment to transparency, efficiency, and student-centric reforms under the National Education Policy (NEP). Using OSM, CBSE has evaluated 98,66,622 answer books.

Key Benefits of OSM

- **Maintenance of Secrecy:** In this system answer books can be evaluated in any part of the country and abroad in the schools affiliated to the CBSE without physically shifting the answer books to the evaluation centres.

- **Error-Free Evaluation:** Eliminates totalling, posting, and uploading errors.
- **Complete Assessment:** Ensures every answer is evaluated as per marking scheme.
- **Reduced Human Intervention:** Minimizes manual handling, leading to fairer outcomes. Evaluator's award marks as per the marking scheme only, this assuring objective assessments.
- **Efficiency Gains:** Saves time and effort for examiners and thus more focus is on the quality assessment rather than involvement in manual work like addition and uploading of marks.
- **Eco-Friendly Digital Process:** Promotes paperless evaluation, reducing environmental impact.
- **Transparency & Accountability:** Builds trust among students, parents, and institutions.
- **Scalability:** Enables CBSE to manage evaluation of lakhs of answer books.

Teachers Welcome CBSE's OSM Initiative

The introduction of On Screen Marking (OSM) by CBSE for Class XII answer book evaluation has drawn positive responses from teachers across the country. Educators see this as a transformative step that modernizes assessment practices and strengthens trust in the examination system. Teachers expressed the following views on OSM:-

- **Accuracy & Fairness:** Teachers highlight that OSM eliminates human errors in totalling and posting marks, ensuring every student's performance is reflected correctly. This also helps in quality and objective assessment of the students.
- **Transparency:** Many examiners appreciate that the digital process leaves no scope for oversight, making evaluation more accountable.
- **Efficiency:** Teachers report that OSM reduces manual workload, allowing them to focus more on academic quality rather than clerical tasks.
- **Training & Adaptability:** While initial training was required which was provided by the CBSE, however, teachers found the system user-friendly and quickly adapted to the digital interface.
- **Eco-Friendly Approach:** Educators commend CBSE's move towards paperless evaluation, aligning with sustainable practices.

- **Student Confidence:** Teachers believe that OSM reassures students and parents that results are processed with precision and fairness.

Comparison: Traditional vs. OSM

Aspect	Traditional Evaluation	OSM Evaluation
Totalling Errors	Frequent	Eliminated
Posting/Uploading Errors	Possible	Eliminated
Incomplete Evaluation	Possible	Eliminated
Transportation	Required	Not Required
Loss and damage of answer books	Possible	Not possible
Requirement for evaluation	Actual answer book & Pen	Digital answer book & Mouse
Daily Capacity	Lower (20-25 Answer Books)	Higher (about 30 Books)

The adoption of OSM marks a paradigm shift in examination evaluation. By leveraging technology, CBSE has not only modernized its processes but also strengthened its reputation as a globally trusted education board. This initiative ensures that students receive results that are accurate, timely, and fair — reinforcing CBSE’s vision of excellence in education.

SPECIAL CONSIDERATION FOR WEST ASIAN STUDENTS

Given the prevailing situation in West Asian countries, CBSE has decided to release the results of students from this region simultaneously with other students, ensuring fairness and consistency in accordance with CBSE policy. Result of all candidates from West Asian countries where some examinations were cancelled is also being declared with the rest of the students.

COORDINATION WITH NTA

NTA was provided data of such students, whose examinations were scheduled from 2.04.2026 to 08.04.2026 so that their JEE Main examination dates do not coincide with their Board examinations. NTA has fixed their examination dates by avoiding Board examination dates.

DEVELOPING STANDARD OPERATING PROCEDURES

To ensure that all the activities of the examinations are simpler and well comprehended in the new examination environment, CBSE has revised all Standard Operating Procedures and provided to all concerned.

ORIENTATION OF SCHOOLS

For holding examinations successfully, a very minute and detailed policy is prepared for the examination centres, school sponsoring the students for Boards examinations, for the parents and the students.

To ensure that this policy is followed by all correctly, a live webinar was conducted by the CBSE for all its affiliated schools on 13.02.2026. This webinar was attended by more than 30000 schools and their teachers teaching classes from Class IX to Class XII. Total number of persons who watched this live webinar were more than 4 Lakh.

In this webinar, important information regarding conduct of examinations and evaluation was communicated and the queries of participants were resolved.
