(Through Website)

**Subject: Tentative Date Sheets for Board Examinations Classes-X and XII – 2026**

Madam/Sir,

This is to inform you that the Central Board of Secondary Education (CBSE) will conduct the following Board Examinations during the period from **17th February 2026 to 15th July 2026**:

1. Main Examinations for Classes X and XII
2. Examinations for Sports Students – Class XII
3. Second Board Examinations – Class X
4. Supplementary Examinations – Class XII

In 2026, approximately **45 lakh candidates** are expected to appear in **204 subjects** across Classes X and XII from India and 26 countries abroad. Alongside the conduct of examinations, several other activities such as practical, evaluation, and post-result processes will be undertaken to ensure timely declaration of results.

To facilitate effective planning and execution of responsibilities by all stakeholders, CBSE has decided to release **tentative date sheets** for the following examinations, based on registration data of Class IX and XI for the year 2025:

- Main Examinations – Class X
- Main Examinations – Class XII
- Second Board Examinations – Class X

This initiative is expected to yield the following benefits:

- Students can prepare structured study plans to enhance their performance.
- Schools can align their academic and administrative activities, including deployment of teachers for examination and evaluation duties.
- Teachers can plan their personal schedules, including vacations, with greater clarity.

As a general guideline, evaluation of answer scripts will commence approximately **10 days after the conduct of each subject's examination** and will be completed within **12 days**. For instance, if the Class XII Physics examination is scheduled for **20th February 2026**, evaluation is likely to begin on **3rd March 2026** and conclude by **15th March 2026**.

Please note that these date sheets are **tentative**. Final date sheets will be issued upon submission of the final list of candidates by the schools.

With best wishes,
