Hon'ble AICC General secretary,

Respected sir,

subject:- Request from the first time members of the legislative assembly, Karnataka, of the Indian national congress to be included in the cabinet of ministers during the proposed reshuffle of the ministry in the Karnataka state government.

Sir, as you are aware, the people of Karnataka have elected 38 members to legislative assembly from the Indian national congress for the first time and

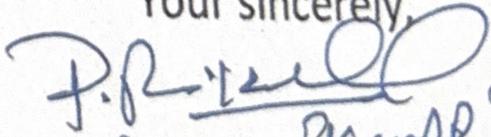

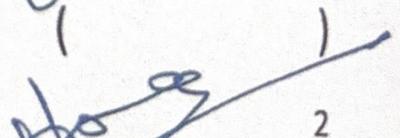

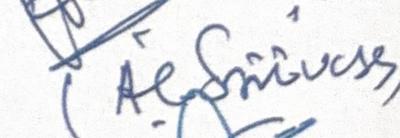

thereby sent out a clear message that they want to see new young faces in the Legislature and that also is the aspiration of the people of the Karnataka.

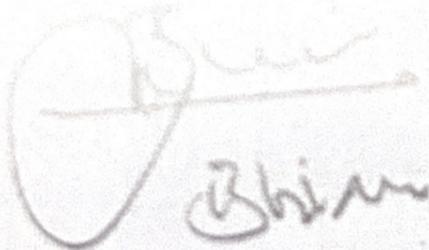

That being the case it is justified that the first time M.L.A s are also accommodated in the cabinet. At the time of formation of the ministry led by Hon'ble Chief Minister of Karnataka Shri Siddaramaiah ji and Hon'ble Deputy Chief Minister Shri Shivakumar ji, no first time M.L.A was provided an opportunity to be part of the 34 member cabinet in Karnataka.

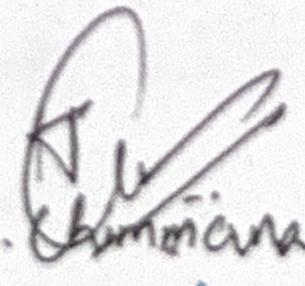

It is the need of the hour that young dynamic and proactive first time M.L.A s are provided an opportunity to serve as ministers in the cabinet. We, the undersigned members of the legislative assembly earnestly request you to ensure that at least five first time M.L.A s are accommodated in the cabinet, as and when the Hon'ble Chief Minister in consultation with your good self, the congress high command, as well as the Deputy Chief Minister under takes the reshuffle of the ministry. It is perhaps necessary to mention that accommodating new comers aroval, in the legislative assembly, is not a new phenomenon and if we look several state governments are headed by the first time M.L.A s as Chief Minister and several first time M.L.As are accommodated as ministers. All of us are strongly connected to the Congress ideology and strive to ensure that clean, transparent and credible governance is provided in the state government of Karnataka, thereby enabling us to bounce back to power in the year 2028. The mix of young and the experienced, is always a right balance to strive and we are sure that your good self with the visionary leadership, make sure this is done in Karnataka. We therefore request you to ensure that at least five first time M.L.A s are accommodated as ministers in Karnataka, during the reshuffle.

Thanking you,

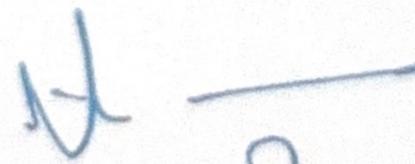

Your sincerely,
